The above hire charges include the use of The Stage Door Box Office. All shows or events can be advertised on the website at [www.thestagedoor.org.uk](http://www.thestagedoor.org.uk) and this will link to The Stage Door box office, or a nominated box office by the hirer. Posters & flyers will be displayed by The Stage Door if supplied by the hirer.

\* Please note that the theatre chairs are moveable and can be set out to suit the show or event. We also have tables and can arrange the venue in cabaret style seating – or chairs and tables can be stored away to create an empty space for parties, events, dance classes etc.
